INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
Washington, D.C. 20231

Sir:

Submitted herewith on PTO Form SB/08B is a listing of documents known to Applicants in order to comply with Applicants' duty of disclosure pursuant to 37 CFR §1.56.

The submission of any document herewith, which is not a statutory bar, is not intended as an admission that such document constitutes prior art against the claims of the present application or that such document is considered material to patentability as defined in 37 CFR §1.56(b). Applicants do not waive any rights to take any action which would be appropriate to antedate or otherwise remove as a competent reference any document which is determined to be a *prima facie* art reference against the claims of the present application.

Since this Information Disclosure Statement is being filed in compliance with 37 C.F.R. §1.97(b) prior to the mailing date of the first official action, no fee is required in connection with its filing.

RELEVANCE OF EACH DOCUMENT

Document A3 discloses a method of color image reproduction in which clipping gamut is based on limitation of luminance.

Document A4 discloses a method of division of binary image and other image by comparing the differences between max level and min level in a small area with a threshold.

Document A5 describes a Gamma-Compression Gamut Mapping Algorithm, which is based on the concept of Image-to-Device, by coupling with hue-leaf division and image gradation scaling.

English translations of documents A3-A5 are not readily available; however, English language abstracts are provided. The absence of such translations does not relieve the PTO from its duty to consider the submitted documents (37 CFR §1.98 and MPEP §609).

Applicants respectfully request that any listed document be considered by the Examiner and be made of record in the present application and that an initialed copy of Form PTO-1449 be returned in accordance with M.P.E.P. §609.

The Commissioner is hereby authorized to charge any additional fees which may be required regarding this application under 37 C.F.R. §§ 1.16-1.17, or credit any overpayment, to Deposit Account No. 19-0741.

Respectfully submitted,
